

In Honor of Mothers and Women

May 12, 2024

I. Mothers and Women: You Cannot Be Replaced! Do You Believe This?

II. The Biblical and logical proof to support this.

- A. It is the job of husbands and children to make sure you know you are irreplaceable.
 - 1. Husbands – I Peter 3:7; Ephesians 5:25
 - 2. Children – I Timothy 5:3, 4
 - 3. All of us – I Thessalonians 5:11
 - a. Encouragement is something we all want and need but few know how to give it.
- B. It is a lie, a sin and a crime to even think that a man can replace a woman or become a woman.
 - 1. The Bible over and over again makes a clear distinction between male and female.
 - a. *“male and female created He them”* – Genesis 1:27 (KJV).
 - i. Note the term *“after their kind”* – Genesis 1:11; 21, 24, 25. Not only is there a distinction between male and female but between plants and animals. Thus, dogs and cats do not cross breed.
 - b. The Bible acknowledges and condemns homosexuality and bestiality – Leviticus 18:22, 23, 20:13; Romans 1:26, 27; I Corinthians 6:9
 - c. The Bible acknowledges and condemns transvestism – Deuteronomy 22:5
 - d. The Bible acknowledges the sexual category of eunuchs – Matthew 19:12
 - 2. My point: Woke and DEI are funded and promoted by men who want to replace and

marginalize women. We should all oppose and reject that.

- C. I believe the Bible states and illustrates this (Genesis 2:18):
 - 1. Women temper men as no one else or no thing can.
 - 2. Women brings a different perspective to things than men. Women nurture, men protect.

III. My Concerns and Warning

- A. Satan’s goal is to:
 - 1. Kill, steal and destroy – John 10:10
 - 2. Devour – I Peter 5:8
- B. Satan’s targets
 - 1. The family unit
 - 2. The local church
- C. He accomplishes the above by corruption much more often than by destruction.
